iPad Media Camp Summer 2015 Sessions

Oklahoma City: June 17-19, 2015
Olathe, Kansas: July 20-22, 2015
Manhattan, Kansas: August 3-5, 2015

“If you are interested in coming up with innovative ways to engage your students in class with media they are truly interested in, you need to attend this camp. The things I’ve learned in this camp, and others taught by Wes, have made my class exciting for kids to attend and helped make them responsible media creators.” (by a 2014 participant)
